**Subject:** Correction to Recent Petition to Revoke Certificates for Non-Payment of Decal Fees for Last Half Year 2017  
**Attachments:** 2015-173-T Quality Transportation LLC.pdf

Good afternoon,

An error was made after Order No. 2017-743 for the recent Petition to Revoke Certificates for failure to pay decal fees for the Last Half Year 2017 enforcement period was issued. The Revised Exhibit A presented and approved at the December 6, 2017, hearing had the correct carrier's name to be revoked, which is Quality Transportation LLC (Docket No. 2015-173-T). However, the certificate that was pulled to be stamped Cancelled/Revoked was Quality Care Transportation LLC (Docket No. 2014-186-T), which was incorrect.

Please reverse any action taken against Quality Care Transportation LLC as their Class C Non-Emergency Certificate is active and in good standing. The correct certificate revoked by Order No. 2017-743 for failure to pay decal fees for the Last Half Year 2017 enforcement period was Quality Transportation LLC. Attached is a copy of Quality Transportation LLC's certificate to show that it has been revoked and this certificate should be used for posting on the Public Service Commission's website under both Docket No. 2015-173-T and Docket No. 2017-260-T.

Thank you,

*Jenna Sarrell*
